

Estimados alumnos

Para esta semana deben completar las páginas 68 y 69 del libro de ejercicios del Tiger 5, con excepción de la act. 13 y 17 ya que requieren listening

La primera página es sobre lo que hemos visto en clases

La segunda página deben ocupar el libro que está adjunto de todos modos

Quedo atento a cualquier duda y deseando que estén bien

Mr. Carrizo

Hello, everyone! Here's a great website we used to decide where to go in New York. Can you guess where we went?

## Lesson 6

19 Listen and read.

### TOP SIX PLACES TO VISIT IN NEW YORK

#### THE TOP OF THE ROCK

The Top of the Rock is a three-level, historic observation deck at the top of the Rockefeller Center in Manhattan. Here, you can enjoy magnificent 360-degree views of New York City day or night, from 70 floors up.

#### THE AMERICAN MUSEUM OF NATURAL HISTORY

At the American Museum of Natural History, there is a fascinating exhibition of dinosaur fossils. You can also see an exhibit about dinosaur body parts and how they became birds.

#### THE MUSEUM OF MODERN ART

The Museum of Modern Art is a world-famous art gallery with a lot of amazing paintings. Here you can find works of art by many American and European artists. A famous painting in the museum is 'Starry Night' by the Dutch painter Vincent van Gogh.

#### THE NEW YORK HALL OF SCIENCE

The New York Hall of Science gives you an amazing interactive learning experience. You find out about biology, chemistry, and physics. You learn about the new Mars Rover, flight simulators, hovercrafts and blimps.

#### MADAME TUSSAUDS

Madame Tussauds is a museum of wax figures. You see famous people from the past and present, including presidents, politicians, actors and sports heroes. In the gallery of Hollywood legends and superstars you can stand next to Marilyn Monroe, E.T., and Bruce Willis.

#### THE HAYDEN PLANETARIUM

At the Hayden Planetarium, there are 3D shows that take you on a tour of the universe. You discover planets and galaxies. You learn about the birth of stars and solar storms. You fly away from Earth and into space.

20 Listen and answer. Where did they go on each day?

## Lesson 7

21 Listen and read. What were their favorite places in New York?

My favorite place was the New York Hall of Science. It was really interesting. There were so many things to touch and to play with! I really enjoyed learning about hovercrafts. I want to go back there again one day!

I didn't have a favorite place. I enjoyed everything! The Museum of Modern Art was a big surprise. It was great! There were some beautiful paintings by famous artists. I didn't like art before this vacation, but I do now!

My favorite place was the American Museum of Natural History. It was awesome. I loved the dinosaurs and the birds. I also really enjoyed the planetarium. It was amazing to learn about the stars at night and what it's like to leave Earth!

I loved everything on this vacation! It was really cool after my luggage arrived! I liked learning about fossils at the American Museum of Natural History. But I also really enjoyed the wax figures at Madame Tussauds. It was funny to stand near so many famous people in the same room!

Number one for me was the Top of the Rock! It was amazing! The building is so high and it has an incredible view of New York. I also enjoyed the American Museum of Natural History. There wasn't time to see everything in the museum but I loved the dinosaurs.

My favorite place in New York was Central Park. It was very peaceful and had beautiful trees and flowers. I loved seeing the Statue of Liberty. I also enjoyed looking at all the stores. There was a great atmosphere in New York and I want to go back there again one day.

22 Listen and say True or False. Correct the false sentences.

23 Say where you want to go in New York and why.

I want to go to the American Museum of Natural History because I'm interested in volcanoes.
